

Independent Studio for Figure Drawing directed by Julie Suchanek

Welcome to Spokane Art Supply's Independent Studio for Figure Drawing.

Whether you are an amateur or professional, this studio offers you the opportunity to practice drawing the endless angles and subtle values of the human form.

Tasteful, classical poses will be expressed by experienced models. As director, Julie will provide constructive suggestions and guidance. She is an artist with a B.A. in fine art from Gonzaga University as well as picture framer for Spokane Art Supply.

Julie will guide timed poses beginning with quick one and five minute sketches. Drawing sessions will gradually become longer with 15, 30 then 45 minute poses when time allows.
