The first day of class bring one whole sheet of Arches 140# cold press watercolor paper. cut up into ¼ sizes, I will have the subject. This is for beginners, but everyone can enjoy this exercise. If you are an intermediate painter, have a ½ sheet of paper with a painting all draw up, your choice of subject. I will also bring photos of different subjects to paint and demonstrate. We will have a few class projects which are a lot of fun and you will enjoy seeing all the different styles the students are forming. Bring your watercolor supplies. Additional materials may be purchased as needed. Student discount applies.
